

Besides

Why can't you see this boat is sinking

Fill in the gaps

(Why)	This boat is sinking (this boat is sinking)
(Why)	Let's go down to the water's edge
How many times	And we can cast away those doubts
Do I have to try to tell you	Some things are better left unsaid
That I'm sorry for the things I've done	But they still turn me inside out
(Oooh)	Turning (5) out
But when I start to try to tell you	Turning inside out
That's when you have to tell me	Tell me
Hey, this kind of trouble's only just begun	(Why)
I tell myself too many times	Tell me
Why don't you ever learn	(Why)
To (1) your big mouth shut	This is the book I never read
That's why it (2) so bad	These are the words I (6) said
To hear the words	This is the path I'll never tread
That keep on falling (3) your mouth	These are the (7) I'll dream instead
Falling from (4) mouth	This is the joy that's seldom spread
Falling from your mouth	These are the tears, the tears we shed
Tell me	This is the fear
(Why)	This is the dread
(Why)	These are the contents of my head
I may be mad	And these are the years (8) we've spent
I may be blind	And this is what they represent
I may be viciously unkind	And this is how I feel
But I can still read	Do you know how I feel
What you're thinking	'Cause I don't think you know how I feel
(Ooooh)	I don't think you know what I feel
And I've heard it said too many times	I don't think you (9) what I feel
That you'd be better off	You don't know what I feel
