## Fill in the gaps

can't	And I don't mean to cry
Go along with it	It's just the smoke gets in my eyes
You can say just (1) you like	You're breathing lies I want to believe in
But you still did it	When I'm watching you (5) out the door
You backtrack	I (6) fall through the floor
And change your act at a hundred lies a minut	I can't
But (2) as I am I won't go along with	it Go along with it
Am I confused, am I a	You can say just what you like
Crazy person, you say it's	But you still did it
Old news she doesn't	You backtrack
Mean nothing	And change your act at a (7) lies a minute
But don't you understand that I am heartbroke	But fool as I am I won't go along with it
No matter what you do you just can't make it u	true Let the battle drum stop
You're breathing lies I want to believe in	I (8) turn (9) the clock
When I'm watching you walk out the door	I wanna find the missing pieces
could fall through the floor	Of the whole love I lost
can't	You say it like you mean it
Go along with it	And I want to believe it
You can say just what you like	'Cause I can't stop this feeling
But you still did it	I can't
You (3) and change yo	ur act Go along with it
At a hundred lies a minute	You can say just what you like
But fool as I am I won't go (4) wit	n it But you still did it
Too much to lose and it's	You backtrack
Still raining, I know it's	And change your act at a hundred (10) a minute
Not a game so I'll	But fool as I am I won't go along with it
Stop playing
