

When it's your fault

Fill in the gaps

(Ohhh) I miss the misery	I miss the late nights
(Oh oh oh oh)	Don't miss you at all!
(Oh oh oh oh)	I like the kick in the face
I've been a mess since you stayed	And the things you do to me!
I've been a wreck since you changed	I love the way that it hurts!
Don't let me get in your way	I don't miss you, I miss the misery!
I miss the lies and the pain	Just know that I'll make you hurt
The fights that keep us awake (ake ake)	(I miss the lies and the pain what you did to me)
I'm telling you!	When you tell me you'll make it worse
I miss the bad things	(I'd rather fight all night than (4) the TV)
The way you hate me	I hate that feeling inside
I miss the screaming	You tell me how hard (5) try
The way that you blame me!	But when we're at our worst
Miss the phone calls	I miss the misery
When it's your fault	I miss the bad things
I miss the late nights	The way you (6) me
Don't miss you at all!	I miss the screaming
I like the kick in the face	The way that you blame me
And the things you do to me!	I miss the rough sex
I love the way (1) it hurts!	Leaves me a mess
I don't miss you, I miss the misery!	I miss the (7) of pains in my chest!
(Oh oh oh oh)	Miss the phone calls
I've tried but I just can't take it	When it's your fault
I'd rather (2) than just fake it	I (8) the late nights
('Cause I like it rough)	Don't miss you at all!
You know that I've had enough	I like the kick in the face
I (3) ya to call my bluff	And the things you do to me!
Can't take to much of a good thing	I (9) the way that it hurts!
I'm telling you!	I don't miss you, I miss the misery!
I miss the bad things	(I don't miss you, I miss the misery)
The way you hate me	
I miss the screaming	I don't miss you, I (10) the misery!
The way that you blame me!
