It won't fill you up

Fill in the gaps

Nothing's Real But Love by Rebecca Ferguson

Standing in a line	No money, no house, no car
Wonder why it don't move	ls (6) love
Trying to get a hand	(La la la la la yeah)
Watching people break the rules	I put it all away
Maybe the man in charge	Holding it back for
Doesn't like my face	A rainy day
But (1) this world's not always good	But what if that day don't come
And nothing's real but love	I need love
Nothing's real but love	No money, no house, no car
No money, no house, no car	Is like love
Can beat love	(Oooh)
They (2) us open mouthed	It don't fill you up
As we joke around like fools	It won't build you up
See who can be the worst	It won't (7) you up
Watch what I can do	It's not love
But (3) the door gets slammed	And nothing's (8) without love
Slammed right in my face	No money, no house, no car
And I (4) this world's not always good	Is like love
And nothing's real but love	Nothing's real but love
Nothing's real but love	No money, no house, no car
No house, no car, no job	ls (9) love
Can (5) love
