Where do they go	Sleeping in between parked cars
And (1) do they do	When it thunders where do you (10) from the storm
They're (2) on by	Could you ever forgive
They're looking at you	My self pity
Some people stop, (3) people stare	When you've got nothing and your living
But would they help you and do they care	On the streets of the city
How did you fall	I couldn't live without my phone
Did you fall at all	But you don't even have a home
Are you happy (4) you are	How did we fall
Sleeping underneath the stars	Can we get up at all
When it's (5) is it your hope that keeps you warm	Are we happy where we are
A spare bit of change	On our lonely little star
Is all that I give	When it's cold is it your hope that keeps you warm
How is that gonna help	Where do they go and what do they do
When you've got no where to live	They're walking on by
Some turn away so (6) don't see	They're looking at you
I bet you'd look if that (7) me	They're walking on by
How did you fall	They're looking at you
Did you fall at all
