

I hear the criticism loud and clear

## Fill in the gaps

I came to win, to fight, to conquer, to thrive	That is how I know that the time is near
I came to win, to survive, to prosper, to rise	So we become alive in a time of fear
To fly	And I aint got no ********** time to spare
To fly	Cry my eyes out for (7) upon days
l wish today it will (1) all day	Such a heavy burden placed upon me
Maybe that will kinda make the pain go away	But (8) you go hard your nay's become yay's
Trying to forgive you for abandoning me	(Yankee Stadium with Jay's and Kanye's)
Praying but I think I'm still an angel away	I came to win, to fight, to conquer, to thrive
Angel away, yeah strange in a way	I came to win, to survive, to prosper, to rise
Maybe that is why I chase (2) away	To fly
They got (3) guns out (4) at me	To fly
But I become near (5) they aiming at me	Get ready for it
Me, me, me against them	Get ready for it
Me against enemies, me against friends	Get ready for it
Somehow they both seem to (6) one	I came to win
A sea full of sharks and they all see blood	Get ready for it
They start coming and I start rising	Get ready for it
Must be surprising, I'm just surmising	Get ready for it
I win, thrive, soar, higher, higher, higher	I came to win
More fire	Get ready for it
I came to win, to fight, to conquer, to thrive	Get ready for it
I came to win, to survive, to prosper, to rise	Get ready for it
To fly	I came to win
To fly	Get (9) for it
Everybody wanna try to box me in	Get ready for it
Suffocating everytime it locks me in	Get (10) for it
Paint they own pictures than they crop me in	I came to win
But I will remain where the top begins	To fight, to conquer, to thrive
Cause I am not a word, I am not a line	I came to win, to survive, to prosper, to rise
I am not a girl that can every be defined	To fly
I am not fly, I am levitation	To fly
I represent an entire generation
