

## Fill in the gaps

I came to win, to fight, to conquer, to thrive	That is how I know that the (8) is near
I came to win, to survive, to prosper, to rise	So we become alive in a time of fear
To fly	And I (9) got no ********* time to spare
To fly	Cry my eyes out for (10) upon days
I wish today it will rain all day	Such a heavy burden placed upon me
Maybe that will kinda make the pain go away	But when you go hard your nay's become yay's
Trying to forgive you for abandoning me	(Yankee Stadium with Jay's and Kanye's)
Praying but I think (1) still an angel away	I came to win, to fight, to conquer, to thrive
Angel away, yeah strange in a way	I came to win, to survive, to prosper, to rise
Maybe that is why I chase strangers away	To fly
They got their guns out aiming at me	To fly
But I become near (2) they aiming at me	Get ready for it
Me, me, me against them	Get ready for it
Me (3) enemies, me against friends	Get ready for it
Somehow they both seem to become one	I came to win
A sea full of sharks and they all see blood	Get ready for it
They start coming and I start rising	Get ready for it
Must be surprising, I'm just surmising	Get ready for it
I win, thrive, soar, higher, higher, higher	I came to win
More fire	Get ready for it
I came to win, to fight, to conquer, to thrive	Get ready for it
I (4) to win, to survive, to prosper, to rise	Get ready for it
To fly	I came to win
To fly	Get ready for it
Everybody wanna try to box me in	Get ready for it
Suffocating everytime it locks me in	Get ready for it
Paint they own pictures than they crop me in	I came to win
But I (5) remain (6) the top begins	To fight, to conquer, to thrive
'Cause I am not a word, I am not a line	I came to win, to survive, to prosper, to rise
I am not a girl that can (7) be defined	To fly
I am not fly, I am levitation	To fly
I represent an entire generation	
I hear the criticism loud and clear
