

(That love will come)

Turn it all around, I'm a soldier of love

## Fill in the gaps

I've lost the use of my heart	Every day and night
But I'm still alive	I'm a soldier of love
Still looking for the light	All the days of my life
And the endless pool on the other side	I am lost but I don't doubt
It's the wild (1) west	(Oh) So I ride
I'm (2) my best	I have the will to survive
I'm at the borderline of my faith	In the wild, wild west
I'm at the hinterland of my devotion	Trying my hardest
I'm in the (3) line of this battle of mine	Doing my best to stay alive
But I'm still alive	I am love's soldier
I'm a soldier of love	I wait for the sound
Every day and night	I know that love will come
I'm a soldier of love	I know (7) love (8) come
All the (4) of my life	Turn it all around
I've been torn up inside	I'm a soldier of love
(Oh) I've been (5) behind	I'm a soldier
(Oh) tall I ride	Still wait for love to come
I have the will to survive	Turn it all around
In the wild, wild west	Still wait for love to come
Trying my hardest	Turn it all around
Doing my best to stay alive	Still wait for (9) to come
I am love's soldier	Turn it all around
(Oh) I wait for the sound	Still wait for love to come
(Oh) I (6) that love will come
