

## Fill in the gaps

You (1) I'd leave (2) side, baby	And in no time, you'll be fine
You know me better than that	You think I'd (13) your side, baby
Think I'd leave you down	You (14) me (15) (16)
When you're down on your knees	that
I wouldn't do that	You (17) I'd (18) you down
I'll do you (3) when you want?	When you're (19) on (20) knees
	I wouldn't do that
And if only you (4) see (5) me	I'll do you right (21) you want?
(Oh) (6) you're cold	
I'll be there, hold you (7) to me	And if only you could see into me
When you're on the outside, baby	(Oh) when you're cold
And you can't get in	I'll be there, hold you tight to me
I will (8) you	(Oh) (22) you're low
You're so much (9) (10) you know	I'll be there by your side, baby
When you're lost	(Oh) (23) you're cold
You're (11) and you can't get back again	I'll be there, (24) you (25) to me
I'll find you, darling, and I'll bring you home	(Oh) when you're low
And if you (12) to cry	I'll be there by your side, baby
I am here to dry your eyes
