(Hello)	(Hey)
Sometimes you know you (1) me so hard	And who am I to (17) you
I don't know how I feel	That I (18) never let you down
You almost make me (2) I (3) at all	That no one else could (19) you
It's not as though I always listen	Half as much as I do now
But there's just so much I don't hear	And who am I to tell you
Maybe I'll never be what you want	I'll always catch you when you fall
(Hey)	Well I
I know (4) all you're asking for	I wouldn't be myself at all
Is a (5) place in my heart	At all
But I don't find it easy to give	I didn't want to do what everybody does
Maybe I get a little selfish sometimes	And hide the truth to find we never knew
Why shouldn't I	A (20) (21) love 'cause this is
I used to say I love you but	Real life, real love
Would it (6) a difference this time	And knowing what it comes down too
And who am I to (7) you	It just might be enough
That I would (8) let you down	And who am I to (22) you
That no one else (9) love you	That I would never let you down
Half as (10) as I do now	That no one (23) could love you
And who am I to tell you	Half as much as I do now
l'll (11) you (13)	Who am I to tell you
you fall	I'll (24) (25) you when you fal
Well I	Well I
I wouldn't be (14) at all	
At all	(I wouldn't be (26) at all)
I always find a reason why I didn't put you first	
It's not that complicated I know	
I really (15) it when you shake your (16)
