## This Is The Last Time (Live) by Keane

This is the last time	Or (14) it under the stairs
That I (1) say these words	You say (15) some (16) never die
I remember the (2) time	Well I tried and I tried
The first of (3) lies	Something I wasn't sure of
Sweep it into the corner	But I was in the middle of
Or hide it under the bed	Something I forget now
Say (4) things (5) go away	But I've (17) too little of
But they	The last time
Never do	You (18) on me for anything you like
Something I wasn't sure of	Your one last line
But I was in the (6) of	You fall on me for (19) you like
Something I (7) now	And years make (20) alright
But I've seen too (8) of	You fall on me for anything you like
The last time	And I
You fall on me for (9) you like	No I don't mind
Your one (10) line	The last time
You (11) on me for anything you like	You (21) on me for (22) you
And years make everything alright	like
You (12) on me for anything you like	Your one last line
And I	You fall on me for anything you like
No I don't mind	And years make everything alright
This is the last time	You fall on me for anything you like
That I will show my face	And I
One last tender lie	No I don't mind
And (13) I'm out of this place	
So tread it into the carpet
