In The Dark by Dev & The Cataracts

On my waist through my hair	I'm only talking to you if you wanna (15) my seas
Think about it when you touch me there	Now that you got me boy
Close my (1) (2) you are	You (16) you better spice it
All alone dancing in the dark	Flavor it get, get it right, savor it
Tell me (3) if (4) wrong	Wanna see who you are
To let my hands do what (5) want	Got a sex drive to (17) the start
Late at night I (6) we are	I got a sex drive to push the start
Dance dance dancing in the dark	Push (18) push (19) the start
Dancing in the dark	Push push push the start
Dancing in the dak	I got a sex drive to push the start
When you work on me	On my waist (20) my hair
Open my (7) up and do some surgery	Think (21) it when you touch me there
Now that you got me up	Close my eyes here you are
I wanna taste it, taste it	All alone (22) in the dark
And see those pocket aces	Tell me baby if it's wrong
I (8) see who you are	To let my (23) do what they want
I got a sex (9) to push the start	Late at night I pretend we are
I got a sex (10) to (11) the start	Dance (24) dancing in the dark
Push push push the start	Tell me baby if it's wrong
Push push push (12) the start	Dancing in the dark
I got a sex (13) to push the start	To let my (25) do what they want
On my waist (14) my hair	Dancing in the dark
Think about it when you touch me there	It's the cataracts
Close my eyes here you are	Dancing in the dark
Dance dance dancing in the dark	Dancing in the dark
Dancing in the dark	
Dancing in the dark	
I love to flirt to see
