In Love With A Girl by Gavin DeGraw

So many people gonna say (1) they want you	Took my (15) time when I was bitter
To try to get you (2) they really care	Someone understands
But there's nothing like the (3) of the one	And she knows how to treat a fella right
Who has put in the time	Give me (16) feeling (17) night
And you know he's gonna be there	Wants to make (18) when I wanna fight
Back your border when she knows someone crossed it	Now someone understand me
Don't let nobody put you down, who your with	I'm in love with a girl (I'm in love with)
Take the pain of protecting (4) name	I'm in love (19) a girl (I'm in love with)
From the crutch to the cane to the high-wire	Gonna tell you what you do to think you practice
I'm in love with a (5) who knows me better	What you preach
Fell for the (6) just when I met her	Now I know there's nothing we cant reach
Took my sweet time when I was bitter	'Cause the (20) can't erase (21) it
Someone understands	finds a place
And she knows how to (7) a fella right	To be warm and welcome
Give me (8) feeling every night	To be (22) in shelter
Wants to make love (9) I wanna fight	I'm in love with a (23) who (24) me
Now someone understand me	better
I'm in love with a girl (I'm in love with)	Fell for the women just when I met her
I'm in (10) (11) a girl (I'm in love with)	Took my sweet time when I was bitter
	Someone understand
Out the many broken backdoors and windows	And she knows how to (25) a (26)
Through the valley of the love of the lost	right
Is a hole (12) is cut through the souls falling down	Give me that feeling every night
From the thrones without (13) any windows	Wants to make love when I wanna fight
But you found inner piece for the moment	Now someone understands me
The moment was over in time	I'm in love with a girl (I'm in love with)
Then its gone the hit and run the tactless	I'm in (27) with a girl (I'm in love with)
One has a short life	I'm in love with a (28) (I'm in love with)
I'm in love (14) a girl who knows me better	Who (29) me better
Fell for the women just when I met her	Wants to make love when I wanna fight
	Now someone (30) me
