In Love With A Girl by Gavin DeGraw

So many people (1) say that they want you	Took my sweet time when I was bitter
To try to get you thinking they (2) care	Someone understands
But there's nothing like the warmth of the one	And she knows how to treat a fella right
Who has put in the time	Give me that feeling every night
And you know he's gonna be there	Wants to make love (14) I wanna fight
Back (3) border when she knows someone	Now (15) (16)
crossed it	me
Don't let nobody put you down, who your with	I'm in love (17) a girl (I'm in love with)
Take the pain of (4) your name	I'm in love with a girl (I'm in (18) with)
From the (5) to the cane to the high-wire	Gonna tell you (19) you do to think you practice
I'm in love with a girl who knows me better	What you preach
Fell for the (6) just when I met her	Now I know there's nothing we cant reach
Took my sweet time when I was bitter	'Cause the (20) can't (21) once it
Someone understands	finds a place
And she knows how to treat a (7) right	To be warm and welcome
Give me that (8) every night	To be (22) in shelter
Wants to make (9) when I wanna fight	I'm in love with a girl who knows me better
Now someone understand me	Fell for the women (23) when I met her
I'm in love with a girl (I'm in love with)	Took my sweet time when I was bitter
I'm in love (10) a girl (I'm in (11) with)	Someone understand
	And she (24) how to treat a fella right
Out the (12) broken backdoors and windows	Give me that (25) every night
Through the valley of the love of the lost	Wants to make love when I wanna fight
Is a hole that is cut through the souls falling down	Now someone understands me
From the thrones without leaving any windows	I'm in love with a girl (I'm in love with)
But you found inner (13) for the moment	I'm in love (26) a girl (I'm in love with)
The moment was over in time	I'm in love with a girl (I'm in love with)
Then its gone the hit and run the tactless	Who knows me better
One has a short life	Wants to make (27) when I (28) fight
I'm in love with a girl who knows me better	Now someone understand me
Fell for the women just when I met her
