In Love With A Girl by Gavin DeGraw

So many people gonna say that they want you	Took my sweet time when I was bitter
To try to get you (1) they really care	Someone understands
But there's nothing like the warmth of the one	And she (7) how to treat a fella right
Who has put in the time	Give me that feeling every night
And you know he's gonna be there	Wants to make love (8) I wanna fight
Back your border when she (2) someone	Now someone understand me
crossed it	I'm in love with a girl (I'm in love with)
Don't let nobody put you down, who your with	I'm in love with a girl (I'm in love with)
Take the pain of protecting your name	Gonna tell you what you do to think you practice
From the crutch to the cane to the high-wire	What you preach
I'm in love with a girl who knows me better	Now I know there's nothing we cant reach
Fell for the women just when I met her	'Cause the heart can't erase once it finds a place
Took my sweet time when I was bitter	To be warm and welcome
Someone understands	To be (9) in shelter
And she knows how to treat a fella right	I'm in love with a girl who knows me better
Give me that feeling every night	Fell for the women just when I met her
Wants to make love when I wanna fight	Took my sweet time when I was bitter
Now someone understand me	Someone understand
I'm in love with a girl (I'm in (3) with)	And she knows how to treat a fella right
I'm in love with a girl (I'm in love with)	Give me that feeling every night
	Wants to make love when I (10) fight
Out the (4) (5) backdoors and	Now someone understands me
windows	I'm in love with a girl (I'm in love with)
Through the valley of the love of the lost	I'm in love with a girl (I'm in love with)
Is a hole that is cut through the (6) falling down	I'm in love with a girl (I'm in love with)
From the thrones without leaving any windows	Who knows me better
But you found inner piece for the moment	Wants to make love when I wanna fight
The moment was over in time	Now someone understand me
Then its gone the hit and run the tactless	
One has a short life	

- 1. thinking
- 2. knows
- 3. love
- 4. many
- 5. broken
- 6. souls
- 7. knows
- 8. when
- 9. held

10. wanna
