

## Fill in the gaps

## Healing Begins by Tenth Avenue North

So you thought you had to (1) this up	There's freedom waiting in the sound
All the (2) that you do	When you let your (16) fall to the ground
So we think that you're good	We're here now
And you can't believe it's not enough	We're here now (oh oh)
All the walls you (3) up	This is where the (17) begins (oh oh)
Are just (4) on the outside	This is where the healing starts
So let 'em (5) down	When you come to (18) you're broken within
There's freedom waiting in the sound	The light meets the dark
When you let your (6) fall to the ground	The light meets the dark
We're here now	Sparks will fly as (19) collides
This is (7) the (8)	With the (20) (21) of us
(9) (oh oh)	So please don't fight
This is (10) the healing starts	This coming light
When you come to where you're broken within	Let this (22) come cover us
The (11) meets the dark	His blood can cover us
The light meets the dark	This is where the healing (23) (oh oh)
Afraid to let your secrets out	This is where the healing starts
Everything that you hide	When you come to where you're broken within
Can (12) crashing (13) the door	The (24) meets the dark
now	The light (25) the dark
But too (14) to face all your fear	
So you hide but you find	
That the shame won't disappear	
So let it (15) down
