## Healing Begins by Tenth Avenue North

So you thought you had to keep this up	There's freedom waiting in the sound
All the work that you do	When you let (5) (6) fall to the
So we think that you're good	ground
And you can't believe it's not enough	We're here now
All the walls you built up	We're here now (oh oh)
Are just glass on the outside	This is where the healing begins (oh oh)
So let 'em fall down	This is where the healing starts
There's freedom waiting in the sound	When you come to where you're broken within
When you let your walls fall to the ground	The light (7) the dark
We're (1) now	The light meets the dark
This is where the healing begins (oh oh)	Sparks (8) fly as grace collides
This is where the healing starts	With the dark inside of us
When you come to (2) you're broken within	So please don't fight
The light meets the dark	This coming light
The (3) meets the dark	Let this blood come cover us
Afraid to let your secrets out	His blood can cover us
Everything that you hide	This is where the healing begins (oh oh)
Can come crashing through the door now	This is where the healing starts
But too scared to face all your fear	When you come to where you're broken within
So you hide but you find	The (9) (10) the dark
That the shame won't disappear	The light meets the dark
So let it (4) down
