

Fill in the gaps

The Zephyr Song by Red Hot Chili Peppers

Can I get (1) hand to (2) on	Fly away on my Zephyr
Just a piece of (3) to (4) on	I feel it (15) (16) ever
What am I to fly my (5) on	And in this perfect weather
Do you want to flash (6) light on	We'll find a place together
Take a look its on display, for you	In the (17) (18) the
Coming down no not today	(19) of my emotion
Did you meet your (7) teller	All the world (20) pass me by
Get it off (8) no propellor	Fly away on my Zephyr
Do it up it's always stellar	We'll find a place together
What a way to finally smell her	(Whoa whoa whoa whoa whoa) do you
Pick it up it's not to strong, for you	(Yeah yeah yeah yeah yeah)
Take a piece and (9) it on	(Whoa whoa whoa whoa whoa) won't you
Fly (10) on my Zephyr	(Yeah yeah yeah yeah yeah)
I feel it (11) then ever	Fly away on my Zephyr
And in (12) perfect weather	I feel it (21) then ever
We'll find a (13) together	And in this perfect weather
Fly on my wing	We'll (22) a (23) together
Riddling on liberator	In the water (24) the scent of my emotion
Find a way to be a skater	All the world (25) pass me by
Rev it up to levitator	Fly away on my Zephyr
Super mainly aviator	We're gonna (26) forever
Take a look its on display, for you	Forever
Coming (14) no not today
