

## Fill in the gaps

When you try your best but you don't succeed	Lights will guide you home
When you get what you want but not (1) you need	And ignite your bones
When you (2) so (3) but you can't	And I will try to fix you
sleep	
Stuck in reverse	Tears stream down your face
When the tears come streaming down your face	When you lose something you can not replace
And you lose something you can't replace	(Oh) tears stream down your face and I
(Oh) when you love someone but it goes to waste	(Oh)
What could it be worse?	Tears stream down your face
	I promise you I will learn (6) my mistakes
(Lights (4) guide you home)	Tears stream (7) your face and I
(And ignite your bones)	Lights will guide you home
(And I will try to fix you)	And ignite (8) bones
And high up above or down below	And I will try to fix you
When you're too in love to let it go	
(Oh) but If you never try you'll (5) know	
Just watch your worth	
(Oh)
