

Fill in the gaps

When you try (1) (2) but you don't	Lights (13) (14) you home
succeed	And (15) your bones
When you get what you want but not what you need	And I will try to fix you
When you feel so (3) but you can't sleep	
Stuck in reverse	Tears stream down your face
When the tears come streaming down (4) face	When you lose (16) you can not
And you (5) something you can't replace	replace
(Oh) (6) you love (7) but it goes	(Oh) (17) stream (18) your
to waste	(19) and I
What could it be worse?	(Oh)
	Tears (20) (21) your face
(Lights (8) guide you home)	I promise you I will learn (22) my mistakes
(And ignite (9) bones)	Tears stream (23) (24) face and I
(And I will try to fix you)	Lights will guide you home
And high up (10) or down below	And ignite your bones
When you're too in love to let it go	And I will try to fix you
(Oh) but If you never try you'll (11) know	
Just (12) your worth	
(Oh)
