

## Fill in the gaps

I had a way then	The only (15) I feel safe
Losing it all on my own	You (16) the lights (17) stop me turn to
I had a heart then	stone
But the (1) has been overthrown	You shine it when I'm alone
And I'm not (2) now	And so I tell myself that I'll be strong
The dark is too hard to beat	And dreaming (18) they're gone
And I'm not keeping up	'Cause they're calling, calling, calling me home
The (3) I (4) to push me	Calling, calling home
You show the lights (5) (6) me turn to	You show the lights that (19) me turn to stone
stone	You shine it when I'm alone
You shine It when I'm alone	Lights, lights
And so I (7) myself that I'll be strong	You show the (20) (21) stop me
And dreaming (8) they're gone	(22) to stone
'Cause they're calling, calling, (9) me home	You (23) it when I'm alone
Calling, calling home	And so I (24) myself (25) I'll be strong
You show the (10) that (11) me	And dreaming when they're gone
(12) to stone	'Cause they're calling, calling, calling me home
You (13) it (14) I'm alone	Calling, calling home
Noises, I play within my head	You show the (26) that stop me turn to stone
Touch my own skin	You shine it (27) I'm alone
And hope they'll still be there	Home, home
And I think back to when	Lights, lights, lights
My brother and my sister slept	
In an unlocked place
