### Anything Could Happen by Ellie Goulding

Stripped to the waist	Anything could happen
We fall into the river	Anything could happen
Cover your eyes	Anything could happen
So you don't (1)_____ the secret	Anything could happen
I've been trying to hide	Anything could
We held our breath	Baby, I'll give you everything you need
To see our names are written	I'll give you everything you need (oh)
On the wreck of '86	I'll give you everything you need
That was the year	But I don't think I (6)_____ you
I knew the panic was over	I know it's gonna be
Yes since we found out	I know it's gonna be
Since we found out	I know it's gonna be
That anything could happen	I know it's gonna be
Anything could happen	I know it's gonna be
Anything could happen	I know it's gonna be
Anything (2)_____ happen	I know it's gonna be
Anything could happen	I know it's (7)_____ be (oh)
Anything could happen	...
Anything could	(But I don't think I need you)
After the war we said we'd fight together	...
I guess we (3)_____ that's (4)_____ what	(But I don't (8)_____ I need you)
(5)_____ do	...
Letting darkness grow	(But I don't think I need you)
As if we need its palette and we need its colour	...
But now I've seen it through	(But I don't (9)_____ I need you)
And now I know the truth	...
That anything could happen	...
Anything could happen	...
