

You got the best friends sing, sing along

Fill in the gaps

Yo, my best friend	Laughing so (7) hard
Best friend (1) the very end	Crashed your dad's new car
'Cause best friends	All the scars we share
Best friends don't have to pretend	I promise, I swear
You need a hand	Wherever you go, just always remember
And I'm right there (2) beside you	That you got a home for now and forever
You in the dark	And if you get low, just call me whenever
I'll be the bright (3) to guide you	This is my (8) to you
'Member the times, times, times	Wherever you go, just always remember
Sneaking of the house	You never alone, we're (9) of a feather
All of the times, times, times	And we'll never change, no matter the weather
That you had the doubts	This is my oath to you
And don't (4) all the trouble we got into	(Oh oh oh)
We got something you can't undo	I'll never let you go
Do	(Oh oh oh)
Laughing so damn hard	(Whoa) this is my oath to you
Crashed your dad's new car	(Oh oh oh)
All the scars we share	Just thought that you should know
I promise, I swear	(Oh oh oh)
Wherever you go, just always remember	Whoa, this is my oath to you
That you got a home for now and forever	
And if you get low	Yeah
Just call me whenever	Wherever you go, just always remember
This is my oath to you	That you got a home for now and forever
Wherever you go, just always remember	And if you get low, just call me whenever
You never alone, we're birds of a feather	This is my oath to you
And we'll never change, no matter the weather	Wherever you go, just always remember
This is my (5) to you	You never alone, we're birds of a feather
I know I drive you crazy	And we'll never change, no matter the weather
(Mm) sometimes	This is my oath to you
I know I called you lazy	(Oh oh oh)
And that's most times	You should know, you should know, you should know
But you complete me	(Oh oh oh)
And that's no lie	(Whoa) (10) is my oath to you
You are my tuxedo	(Oh oh oh)
And I'm your bow tie	You never alone, we're birds of a feather
We in the car, sing, sing, (6) our song	(Oh oh oh)
Rocking the building	This is my oath to you
Tear it down, like we King Kong	
And in my eyes, you can't do, do no wrong
