Fill in the gaps

Hey, boy you never had much game	I want you back
So I needed to upgrade	I want you back
So I went and (1) away way way	Wa-want you, want you back
Now, I see you've been hanging out	I broke it off thinking you'd be cryin'
With that other girl in town	Now I (7) like shh looking at you flyin'
Looking like a pair of clowns clowns clowns	I want you back
Remember all the things that you and I did first?	I want you back
And now you're doing them with her	Wa-want you, want you back
Remember all the (2) (3) you and I	(Ohhh) I thought you'd still be mine
did first?	When I (8) you goodbye (uh oh uh oh)
You got me, got me like this	(Ohhh) and you (9) be with her
And now you're taking her to every restaurant	But I still had you first (uh oh uh oh)
And everywhere we went, come on!	Remember all the things that you and I did first?
And now you're taking her to every restaurant	And now you're doing them with her
You got me, got me like this	Remember all the things that you and I did first?
Boy you can say anything you want	Remember all the things that you and I did first?
I don't (4) a shh, no one else can have ya	And now you're doing them with her
I want you back	Remember all the things that you and I did first?

Tryin' to rock them ugly (5) jeans jeans	I want you back

And now you're taking her to every restaurant	I want you back
