Something More by Secondhand Serenade

I lie awake again, my bodies (1) paralysed	There must be something more,
I cant remember when	Do we know what were fighting for?
I didnt live through this disguise	Breathe in (8) out
The words you said to me	And all these masks we wore
They couldnt set me free	We never knew what we had in store
Im (2) here in this (3) i didnt ask for	Breathe in breathe out
There (4) be something more,	I fooled everyone and now what (9) i become?
Do we know what (5) fighting for?	I have to start this over
Breathe in breathe out	I have to start this over
And all these masks we wore	There must be something more,
We never knew what we had in store	Do we know what were fighting for?
Breathe in breathe out	Breathe in breathe out
The storm is rolling in	And all these masks we wore
The thunders loud it hurts my ears	We never (10) what we had in store
Im paying for my sins	Breathe in breathe out
And its gunna rain for years and years	There must be something more
I fooled (6) and now what will i become?	Breathe in breathe out
I have to start (7) over	There must be something more
