

Fill in the gaps

| | You take my hand and drag me head first |
|--|--|
| There's (1) about the way | Fearless |
| The street looks (2) it's just rained | And I don't know why but with you I'd dance |
| There's a glow off the pavement | In a storm in my best dress |
| You walk me to the car | Fearless |
| And you know I (3) ask you to dance | Well you stood there with me in the doorway |
| (4) there | My hands shake |
| In the middle of the parking lot | I'm not usually this way but |
| (Yeah) | You pull me in and I'm a little more brave |
| We're driving down the road | It's the first kiss, it's flawless, really something |
| I wonder if you know | It's fearless |
| I'm trying so hard not to get caught up now | 'Cause I don't know how it gets better than this |
| But you're just so cool | You take my hand and drag me head first |
| Run your hands through your hair | Fearless |
| Absent mindedly making me (5) you | And I don't know why but with you I'd dance |
| And I don't know how it gets better than this | In a storm in my best dress |
| You (6) my hand and drag me head first | Fearless |
| Fearless | 'Cause I don't know how it gets better than this |
| And I don't know why but with you I'd dance | You take my hand and drag me head first |
| In a storm in my best dress | Fearless |
| Fearless | And I don't (10) why but with you I'd dance |
| So baby drive slow | In a storm in my best dress |
| Till we run out of road in (7) one (8) | Fearless |
| town | |
| I wanna stay right here in this passenger's seat | |
| You put your eyes on me | |
| In this moment now captured, remembered | |
