

Fill in the gaps

Postcard From Paris by The Band Perry

remember when my heart caught the fever	is from her old promise ring
You were standing all alone in the (1) heat	A call back from your fortune teller
I was (2) my boyfriend, my new boyfriend	She read (17) (18) upside down
He was as sweet as he could be	The meanest thing you ever did is come around
One look at you and I was through	Just when I thought things (19) alright
My heart switched up on me	My eyes play tricks on my mind, yeah
Like a postcard (3) Paris	Will I ever be satisfied
When I've seen the real thing	'Cause all I ever seem to find is a
It's like (4) out (5) diamond	A postcard from Paris
Is from her old promise ring	When I need the (20) thing
A call back from your (6) teller	It's like finding out your diamond
She (7) your cards upside down	Is from an old promise ring
The (8) thing you (9) did is	A call back from (21) fortune teller
come around	She read your (22) upside down
And now, I'm ruined	The meanest thing you (23) did
I'm ruined	The (24) (25) you ever did
In the evening you can catch me daydreaming	The meanest (26) you ever did is (27)
Did that (10) send you (11)	around
(12) like me?	I am (28) (yeah)
I should have (13) over, (14) over	I'm ruined
I (15) have never let you leave	Now I am ruined (yeah)
But it's the never-knowing that keeps this going	I am ruined
And drives me crazy	(Yeah)
Like a (16) from Paris	
When I've seen the real thing	
It's like finding out your diamond
