I know its not your fault, but I'm? a locked door
Anytime I'm a mess by someone before
And I wish that I, I (1) find a key
To unlock all the things that you (2) us to be
Let me open up and (3) again,
But (4) a safe around my heart
I don't know how to let you in,
And that's (5) keeps us apart
And that's why I need time.
I said I (6) you,
I need you to understand, you, you, you (x2)
Call up the locksmith,
Tell him we need him quick
We've got a million keys,?
None of them (7) to fit
While your on the phone,
call up the clocksmith,
Cuz I could use some time,
Even the slightest bit
Let me (8) up and start again,
