

I know its not your fault, but I'm? a locked door
Anytime I'm a mess by someone before
And I wish that I, I could find a key
To unlock all the things that you want us to be
Let me (1) up and start again,
But there's a safe around my heart
I don't know how to let you in,
And (2) what keeps us apart
And (3) why I need time.
I said I need you,
I need you to understand, you, you, you (x2)
Call up the locksmith,
Tell him we need him quick
We've got a million keys,?
None of them seem to fit
While your on the phone,
call up the clocksmith,
Cuz I could use some time,
Even the slightest bit
Let me (4) up and start again,

## Fill in the gaps

And break this safe around my heart
I (5) know how to let you in,
And (6) what keeps us apart
And that's why I need time
I (7) I need you
I need you to understand, you, you, you (x2)
I'm thinking now's? the time,
Maybe its time to go, if I (8) you my heart, be
gentle,
I'm tired of laying low, lets give the world a show
And when you know, you know,
And when you know, you know, you know
And when you know, you know, you know, you know
And (9) why I need time
I said I need you,
I need you to understand, you, you, you (x2)
I (10) you to understand (x4)
I need you (x3)
I need you, you
