

It's always a good time (Woah oh oh oh)

Fill in the gaps

Good Time by Owl City & Carly Rae Jepsen

(Woah oh oh)	(Woah oh oh)
It's always a good time	It's always a good time
(Woah oh oh oh)	(Woah oh oh)
It's always a good time	We don't even have to try
Woke up on the right side of the bed	It's always a good time
What's up with this Prince song inside my head?	(Woah oh oh oh)
Hands up if you're down to get down tonight	(Woah oh oh oh)
'Cause it's always a (1) time	It's (5) a good time
Slept in all my clothes like I didn't care	(Woah oh oh oh)
Hopped into a cab, take me anywhere	We don't even have to try
I'm in if you're down to get down tonight	It's always a good time
'Cause it's always a good time	Doesn't matter when
Good morning and good night	It's (6) a (7) time then
I'll wake up at twilight	Doesn't matter where
It's (2) be alright	It's always a good time there
We don't even have to try	Doesn't matter when
It's always a good time	It's always a (8) time then
(Woah oh oh oh)	It's always a good time
(Woah oh oh oh)	(Woah oh oh oh)
It's always a good time	(Woah oh oh oh)
(Woah oh oh oh)	It's always a good time
We don't (3) have to try	(Woah oh oh oh)
It's always a good time	We don't (9) have to try
It's always a good time	It's always a good time
(Woah oh oh oh)	(Woah oh oh oh)
Freaked out (4) my phone in the pool again	(Woah oh oh oh)
Checked out of my room hit the ATM	It's always a good time
Let's hang out if you're down to get down tonight	(Woah oh oh oh)
'Cause it's always a good time	We don't even have to try
Good morning and good night	It's always a (10) time
I'll wake up at twilight	(Woah oh oh oh)
It's gonna be alright	
We don't even have to try	

- 1. good
- 2. gonna
- 3. even
