

And I wonder why we both walked away

Fill in the gaps

A still framed photograph	I'm lost (8)	you, still crazy for you
Of you and me together	Just turn around	
Is all I have of me and you anymore	Come back because your smile is overdue	
We were so in love and we thought it	And I miss	
Last forever	I miss you	
But in the storm	I'm sorry for all I did, what I said	
We were torn	And things I hid	
And I won't (1) you	I'm finally over me	
Don't regret you	Is (9) too la	te for you?
The hardest thing in fact I do is live without you	I can't imagine where I'd be	
And I wonder why we (2) walked away	If you had never (10) me	
I'm (3) without you, still crazy for you	You gave me hope to live	
Just turn around	Now I need you	
Come (4) because your smile is overdue	'Cause I need you	
And I miss	And I won't forget you	
I miss you	Don't regret you	
If I'd (5) (6) the words to say	But the hardest thing I've had to do	
That would make you (7) around	Is live without you	
I'd say the words to you	And I wonder why we both walked away	
More than a million times	I'm lost without you, still crazy for you	
It's been forever, but	Just turn around	
Hasn't changed what you mean to me	Come back because your smile is overdue	
Darling can't you see?	And I miss	
That I won't forget you	I miss you	
Don't regret you		
The hardest thing in fact I do is live without you
