

## Fill in the gaps

A (1) framed photograph	I'm (15) without you, (16) crazy fo
Of you and me together	you
Is all I have of me and you anymore	Just turn around
We were so in love and we thought it	Come back because your smile is overdue
Last forever	And I miss
But in the storm	I miss you
We were torn	I'm sorry for all I did, what I said
And I won't (2) you	And things I hid
Don't regret you	I'm finally over me
The hardest (3) in fact I do is (4)	Is that too late for you?
without you	I can't (17) (18) I'd be
And I wonder why we both walked away	If you had never rescued me
I'm lost without you, (5) crazy for you	You gave me hope to live
Just turn around	Now I need you
Come back because (6) is	'Cause I need you
overdue	And I won't forget you
And I miss	Don't regret you
I miss you	But the hardest (19) I've had to do
If I'd (8) knew the words to say	Is (20) without you
That would make you turn around	And I (21) why we both (22)
I'd say the words to you	away
More than a million times	I'm lost without you, still crazy for you
It's been forever, but	Just (23) around
Hasn't changed (9) you (10) to me	Come back because your (24) is overdue
Darling can't you see?	And I miss
That I won't (11) you	I miss you
Don't regret you	
The (12) in fact I do is	
live (14) you	
And I wonder why we both walked away
