

See A Little Light by Belinda

Stay (1)_____ in my room

Every moment passing too soon

Watch the candles burn into the night

Fall into a dream

Wake up and everything's the same

A second older but alone just like a child

If you just give me a sign

To live and not to die

Then I could see a little light

I could find some piece of mind

I don't (2)_____ where you are

Maybe near or maybe far

I just need a (3)_____ light

Hear a clock ticking

On a life that could have meaning

If I (4)_____ find the love light in your eyes

See a (5)_____ people

Everyone's so lonely

But we don't have to be alone tonight

Then I could see a little light

I could find some piece of mind

I don't know where you are

Maybe near or maybe far

I just need a little light

...

If I could see a little light

If I could find (6)_____ piece of mind

If you just give me a sign

I could see a little light

I don't know where you are

Maybe near or (7)_____ far

I could see a little light

If I (8)_____ see a little light

I could see a (9)_____ light

Stay (10)_____ in my room

Every moment passing too soon

Watch the candles burn into the night
