

Fill in the gaps

I can feel the magic floating in the air	Closer than I've ever felt before
Being (1) you (2) me (3)	And I know, and you know
way	There's no need for words right now
I (4) the sunlight dance across your face	'Cause I can feel you breathe
And I've	It's (19) over me
Never been this swept away	And suddenly I'm melting into you
All my thoughts (5) seem to settle on the breeze	There's nothing left to prove
When I'm (6) up in	Baby all we need is just to be
(8) arms	Caught up in the touch
The whole world just (9) away	Slow and steady rush
The (10) thing I hear is the beating of your heart	Baby isn't (20) the way (21) love's
'Cause I can (11) you breathe	supposed to be?
It's (12) over me	I can feel you breathe
And suddenly I'm melting into you	Just breathe
There's nothing (13) to prove	Caught up in the touch
Baby all we need is just to be	Slow and steady rush
Caught up in the touch	Baby isn't that the way that love's (22) to
Slow and steady rush	be?
Baby isn't that the way that love's supposed to be?	I can (23) you breathe, just breathe
I can feel you breathe	I can feel the magic floating in the air
Just breathe	Being with you (24) me (25) way
In a way I (14) my (15) is	
(16) up	
As all the walls (17) (18)	
down
