

Fill in the gaps

I can feel the magic floating in the air	Closer than I've ever (5) before
Being with you gets me that way	And I know, and you know
I watch the sunlight dance across your face	There's no need for words (6) now
And I've	'Cause I can feel you breathe
Never been this swept away	It's washing (7) me
All my thoughts just seem to (1) on the breeze	And suddenly I'm melting into you
When I'm lying wrapped up in your arms	There's nothing left to prove
The whole world just fades away	Baby all we need is (8) to be
The only thing I hear is the beating of your heart	Caught up in the touch
'Cause I can (2) you breathe	Slow and steady rush
It's washing over me	Baby isn't that the way that love's (9) to
And suddenly I'm melting into you	be?
There's nothing left to prove	I can feel you breathe
Baby all we need is (3) to be	Just breathe
Caught up in the touch	Caught up in the touch
Slow and steady rush	Slow and steady rush
Baby isn't that the way that love's supposed to be?	Baby isn't that the way that love's supposed to be?
I can (4) you breathe	I can feel you breathe, just breathe
Just breathe	I can (10) the magic floating in the air
In a way I know my heart is waking up	Being with you gets me that way
