

You say you don't know

Fill in the gaps

Where is the moment we needed the most	You tell me don't lie
You (1) up the leaves and the magic is lost	You work at a smile and you go for a ride
You tell me (2) blue skies fade to grey	You had a bad day
You tell me (3) passion's (4) away	The camera don't lie
And I don't (5) no carrying on	You're coming (16) down and you really don't mind
You stand in the line (6) to hit a new low	You had a bad day
You're (7) a smile with the (8)	(Oh Holiday)
to go	Sometimes the (17) goes on the blink
You tell me your life's been way off line	And the whole thing (18) out wrong
You're falling to (9) everytime	You (19) not (20) it back and you
And I don't (10) no carrying on	know
Because you had a bad day	That you could be well oh that strong
You're taking one down	And I'm not wrong
You sing a sad song just to (11) it around	So where is the passion when you (21) it the most
You say you don't know	(Oh) You and I
You tell me don't lie	You kick up the leaves and the magic is lost
You work at a smile and you go for a ride	'Cause you had a bad day
You had a bad day	You're taking one down
The camera don't lie	You (22) a sad song just to turn it around
You're coming back down and you really don't mind	You say you don't know
You had a bad day	You (23) me don't lie
You had a bad day	You work at a smile and you go for a ride
You need a blue sky holiday	You had a bad day
The point is (12) laugh at what you say	You've seen what you like
And I don't need no (13) on	And how does it (24) for one more time
You had a bad day	You had a bad day
You're taking one down	You had a bad day
You sing a sad (14) just to (15) it
