

Fill in the gaps

The Crow & The Butterfly by Shinedown

I (1) your room at midnight	You know I can barely breathe
So I'd know yesterday was over	Just (15) a crow (16) the
l put all (2) books on the top shelf	butterfly
Even the one (3) the four (4) clover	Dandelions lost in the (17) sky
Man I'm getting older	When you and I were gettin' high as (18) space
I (5) all your (6) off the wall	I (19) thought you (20) slip away
And wrapped them in a newspaper blanket	I guess I was (21) a little too late
I haven't slept in what seems (7) a century	Just (22) a crow chasing the butterfly
And now I can barely breathe	Dandelions lost in the summer sky
Just like a crow (8) the butterfly	When you and I were gettin' high as outer space
Dandelions lost in the summer sky	I never thought you would slip away
When you and I were gettin' high as (9) space	Like a crow (23) the butterfly
I never thought you would slip away	Dandelions lost in the (24) sky
I guess I was (10) a little too late	When you and I were gettin' high as (25) space
Your (11) still serenade me	I never thought you would slip away
Your allibies won't let me sleep	I guess I was just a (26) too late
l've never (12) such a (13)	Just a little too late
melody	
(Ob) it's (14) mo
