Fill in the gaps

New York, New York by Ryan Adams

, 2, 3	The world won't wait and I watched you shake
Vell, I shuffled through the city on the 4th of July	But honey, I don't blame you
had a firecracker waiting to blow	Hell, I still love you, New York
Breaking like a robber who was making his way	Hell, I still love you, New York
To the cities of Mexico	New York
ived in an apartment out on Avenue A	I (5) Christmas in the
had a tar-hut on the corner of 10th	(6) cold
Had myself a lover who was finer than gold	In a (7) on the upper west side
But I've been broken up and busted up since	Babe, I stood their singing, I was holding your arm
And love don't play any games with me	You were holding my trust like a child
Anymore like she did before	Found a lot of trouble out on Avenue B
The world won't wait, so I better shake	But I tried to keep the overhead low
That thing right out (1) through the door	Farewell to the city and the love of my life
Hell, I still love you, New York	At least we (8) before we had to go
Found myself a picture that would fit in the folds	And love won't play any games with you
Of my wallet and it (2) pretty good	Anymore if you want 'em to
Still amazed I didn't lose it on the (3) of the place	So we better shake this old (9) out the door
When I was drunk and I was thinking of you	I'll always be thinkin' of you
Every day the children they were singing their tune	I'll always love you though New York
Out on the streets and you (4) hear from inside	I'll always love you though New York
Jsed to take the subway up to Houston and 3rd	I'll always love you though New York
would wait for you and I'd try to hide	I'll always love you though New York
And love won't play any games with you	New York, New York
Anymore if you don't want 'em to	

- 1. there
