Well, I (1) through the city on the 4th of	But honey, I don't (12) you
July	Hell, I still (13) you, New York
I had a (2) waiting to blow	Hell, I still love you, New York
Breaking like a robber who was (3) his way	New York
To the cities of Mexico	I (14) Christmas in the blistering cold
Lived in an apartment out on Avenue A	In a church on the upper west side
I had a tar-hut on the corner of 10th	Babe, I (15) their singing, I was holding your arm
Had (4) a lover who was finer than gold	You were (16) my (17) like a
But I've been broken up and busted up since	child
And (5) don't play any games with me	Found a lot of trouble out on Avenue B
Anymore like she did before	But I (18) to keep the overhead low
The world won't wait, so I better shake	Farewell to the city and the (19) of my life
That thing right out there through the door	At least we left (20) we had to go
Hell, I still love you, New York	And (21) won't (22) any games with you
Found myself a (6) that (7) fit	Anymore if you want 'em to
in the folds	So we better (23) this old thing out the door
Of my wallet and it stayed pretty good	I'll always be thinkin' of you
Still amazed I didn't lose it on the roof of the place	I'll always love you (24) New York
When I was (8) and I was thinking of you	I'll always (25) you (26) New York
Every day the children they were singing their tune	I'll always love you (27) New York
Out on the (9) and you could hear from	I'll always love you though New York
inside	New York, New York
Used to take the (10) up to Houston and 3rd	
I would wait for you and I'd try to hide	
And love won't play any games with you	
Anymore if you don't want 'em to
