Fill in the gaps

Amazing Grace (9/11 Tribute) by The Jokerr

Amazing grace	Through many dangers
How sweet the sound	Toils and snares
That saved a wretch	I have already
Like me	Come
I once was lost	But it was grace that brought
But now I'm found	Me safe (5) far
Was blind but now	And grace (6) lead
I see	Me home
'Twas grace (1) taught	Then when we've (7) there
My (2) to fear	Ten (8) years
And (3) my fears	Bright, shining as the sun
Relieved	We've no less days to (9) God's praise
How precious did	Than when
That (4) appear	We first begun
The hour I first
