

Fill in the gaps

Both Of Us by B.o.B & Taylor Swift

I wish I was strong enough	I can feel your pain, I can feel your struggle
To lift not one but (1) of us	You just wanna live, but everything so low
Someday I (2) be strong enough	That you can (15) in a puddle
To lift not one but both of us	That's why I gotta hold us up, yeah, hold us up
Uh, ever thought about losing it?	For all the times no one ever spoke for us
When your money is all gone and you lose your whip	So every (16) time that they play this song
You might lose (3) grip	You can say that, "That's what Bobby Ray wrote for us"
When the landlord tell you that you're due for rent	When the (17) get too high
And the grass so (4) on the other side	And the sea up underneath get so deep
Make a nigga (5) run straight through the fence	And you feel like you're just another person
Open up the fridge 'bout (6) times	Gettin' lost in the crowd, way up high in the nosebleeds, uh
But you still can't find no food in it, that's foolishness	Because we've both been there, yeah, both of us
And (7) I wonder	But we (18) stand (19) with our
All we (8) so (9) about the way we look	shoulders up
And the way we talk and the way we act	And even though we (20) against the odds
And the clothes we bought, how (10) that cost?	These are the things that have (21) us
Does it even really matter?	And if life hadn't chosen us
'Cause if life is an uphill battle	Sometimes I wonder (22) I would've
We all try to climb on the same old ladder	(23) up
In the same (11) with the same old paddle	'Cause if it was up to me
Why so shallow, I'm just asking	I'd make a new blueprint
What's the pattern, to the madness?	Then build it (24) the ground up, hey
Everybody in a number one (12) pick	But if it's all for one and one for all
Most of us ain't Hollywood actors	Then maybe one day we all could ball
But if it's all for one and one for all	Do it one time for the underdogs
Then maybe one day we all can ball	From (25) Ray to all of y'all
Do it one time for the underdogs	I wish I was (26) enough
Sincerely yours, from one of y'all	To lift not one but both of us
I wish I was (13) enough	Someday I will be strong enough
To lift not one but both of us	To lift not one but both of us
Someday I will be strong enough	
To (14) not one but both of us
