

Fill in the gaps

Too many voices, too many noises
Invisible wires keeping us apart
So (1) choices, but they're all disappointments
And they only steal me away (2) you
Climb (3) our own private bubble
Let's get into all kinds of trouble
Slide over (4) let your hands feel the way
There's no better method to communicate
Girl stop (5) talking words just get in the way
I'll be your man
So baby come over (6) the end of the sofa
I'll be your man, I'll be your man
So many faces, (7) at their shoelaces
When all anyone wants is to be seen
So tonight let's be honest
We all want to be wanted
And (8) you got me wanting you
Everything that I'm trying to say
Just sounds like a worn out cliché
Slide over here let your hands feel the way
There's no better method to communicate
Girl stop your talking words just get in the way
I'll be your man

So baby come over from the end of the sofa
l'll be your man, l'll be your man
What are we all looking for?
Someone we just can't (9) it's
Real love dripping from my heart
You've got me tripping
What are we all looking for?
(Oooh)
Slide over here let your hands feel the way
There's no better method to communicate
Girl stop your talking words just get in the way
I'll be your man
Slide over here let your hands feel the way
There's no better method to communicate
Girl stop your talking words just get in the way
I'll be your man
So baby come over from the end of the sofa
I'll be your man, I'll be your man
I'll be your man, I'll be your man
I'll be your man, I'll be (10) man
