### Goodbye My Lover by James Blunt

Did I disappoint you or let you down		I'd spend a lifetime with you
Should I be feeling guilty or let the judges frown		I know your (6) and you know mine
Cause I saw the end before we'd begun		We've had our doubts but now we're fine
Yes I saw you were blinded and I knew I had won		And I (7) you, I swear that's true
So I took what's mine by (1)	_ right	I cannot (8) without you
Took your soul out into the night		Goodbye my lover
It may be over but it won't stop there		Goodbye my friend
I am here for you if you'd only care		You have been the one
You touched my heart you touched my soul		You have been the one for me
You changed my life and all my goals		Goodbye my lover
And love is blind and that I knew when		Goodbye my friend
My (2) was blinded by you		You have been the one
I've kissed your lips and held your hand		You have (9) the one for me
Shared your dreams and shared your bed		And I still hold your hand in mine
I know you well, I know your smell		In mine when I'm asleep
I've (3) addicted to you		And I will bare my soul in time
Goodbye my lover		When I'm kneeling at your feet
Goodbye my friend		Goodbye my lover
You have been the one		Goodbye my friend
You have been the one for me		You have been the one
Goodbye my lover		You have been the one for me
Goodbye my friend		Goodbye my lover
You have been the one		Goodbye my friend
You have been the one for me		You have been the one
I am a dreamer and when I wake		You have been the one for me
You (4) break my spirit it's	s my dreams you	I'm so hollow, baby, I'm so hollow
take		I'm so, I'm so, I'm so hollow
And as you move on, remember me		I'm so hollow, baby, I'm so hollow
Remember us and all we used to be		I'm so, I'm so, I'm so hollow
I've seen you cry, I've (5) you smil	е	
I've watched you sleeping for a while
