Bearing the burden of a secret storm

In a world that she can't rise above

And she flies to a place

The neighbors hear but they turn out the light
A fragile soul caught in the hands of fate
When morning comes it will be too late
Through the wind and the rain

An angel girl with an upturned face
A name is written on a polished rock
A broken heart (8)_____ the (9)_____ forgot
Through the wind and the rain
