

Fill in the gaps

You say	I'm starting to find myself (5) that way too
It's all in my head	When you grace me with your cold shoulder
And the things I think	Whenever you look at me I wish I was her
Just don't make sense	You shower me with words (6) of knives
So where you been then?	Whenever you look at me I wish I was her
Don't go all coy	Time and time again I play the role of fool
Don't turn it round on me like it's my fault	(Just for you)
See I can see	Even in the daylight when you think that
That look in your eyes	(I don't see you)
The one that shoots me each and every time	Try to look for things I hear but our eyes never find
You grace me with your cold shoulder	Though I do know how you play
Whenever you look at me I wish I was her	You grace me with your cold shoulder
You shower me with (1) made of knives	Whenever you look at me I (7) I was her
Whenever you look at me I wish I was her	You shower me with words made of knives
These days	Whenever you look at me I wish I was her
When I see you	You (8) me with your cold shoulder
You (2) it (3) (4) I'm	Whenever you look at me I wish I was her
see-through	You shower me with words (9) of knives
Do tell me why	Whenever you look at me I wish I was her (oh, oh, oh)
You waste our time	
When your heart ain't in it and you're not satisfied	
You know I know	
Just how you feel
