

## Fill in the gaps

You say	I'm starting to find myself feeling that way too
It's all in my head	When you grace me with your cold shoulder
And the things I think	Whenever you look at me I wish I was her
Just don't make sense	You (14) me with words (15) o
So where you been then?	knives
Don't go all coy	Whenever you look at me I wish I was her
Don't turn it round on me like it's my fault	Time and time again I (16) the role of fool
See I can see	(Just for you)
That (1) in your eyes	Even in the daylight when you think that
The one that (2) me (3) and	(I don't see you)
(4) time	Try to (17) for things I hear but our eyes
You grace me (5) your (6) shoulder	(18) find
Whenever you look at me I wish I was her	Though I do know how you play
You shower me with (7) made of knives	You grace me with your cold shoulder
Whenever you look at me I (8) I was her	Whenever you look at me I wish I was her
These days	You shower me with words made of knives
When I see you	Whenever you look at me I wish I was her
You make it (9) (10) I'm see-through	You grace me with your cold shoulder
Do tell me why	Whenever you look at me I wish I was her
You (11) our time	You shower me (19) words made of knives
When (12) heart ain't in it and you're not satisfied	Whenever you look at me I wish I was her (oh, oh, oh)
You (13) I know	
Just how you feel
