

Cold Shoulder by Adele You say It's all in my head And the things I think Just don't make sense So (1)_____ you been then? Don't go all coy Don't turn it round on me like it's my fault See I can see

That look in your eyes

The one that shoots me each and every time

You (2)_____ me with your cold shoulder

Whenever you look at me I wish I was her

You shower me with words made of knives

Whenever you look at me I wish I was her

These days

When I see you

You make it look like I'm see-through

Do tell me why

You waste our time

When your heart ain't in it and you're not satisfied

You know I know

Just how you feel

Fill in the gaps

I'm starting to find myself feeling that way too
When you grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you (3) at me I wish I was her
Time and time (4) I play the role of fool
(Just for you)
Even in the daylight when you (5) that

Though I do (7) how you play
You grace me with your cold shoulder
Whenever you look at me I wish I was her
You (8) me with words made of knives
Whenever you look at me I wish I was her
