

Fill in the gaps

•••	But now the sky has cleared and it's blue
Hold me closer one more time	And I see my future in you
Say that you love me in your (1) goodbye	I'll be waiting
Please forgive me for my sins	For you when you're ready to (13) me again
Yes, I swam dirty waters	I put my hands up
But you pushed me in	I'll do everything different
I've seen your (2) under every sky	I'll be better to you
Over (3) (4) and on every line	I'll be waiting
You know my heart (5) than I do	For you (14) you're ready to love me again
We were the greatest, me and you	I put my hands up
But we had time against us	I'll be somebody different
And miles (6) us	Time against us (time against us)
The heavens cried	Miles between us (miles between us)
I know I left you speechless	Heavens cried
But now the sky has cleared and it's blue	I know I left you speechless
And I see my future in you	Time against us (time against us)
I'll be waiting	Miles between us (miles (15) us)
For you when you're ready to love me again	Heavens cried
I put my hands up	I know I (16) you speechless
I'll do (7) different	I know I left you speechless
I'll be better to you	But I'll be waiting
I'll be waiting	I'll be waiting
For you when you're ready to (8) me again	For you (17) you're ready to love me again
I put my hands up	I put my hands up
I'll be somebody different	I'll do everything different
Let me (9) here for just one more night	I'll be better to you
Build (10) world around me	I'll be waiting
You better pull me to the light	For you when you're ready to love me again
So I can tell you that I was wrong	I put my (18) up
See, I was a child then	I'll be somebody different
But now I'm willing to learn	I'll be better to you
But we had time against us	
And (11) between us, the heavens cried	
I (12) I left you speechless
