

Fill in the gaps

Didn't I give it all				Take it all with you
Tried my best				Don't look back
Gave you (1)		I had		At this crumbling fool
Everything and no less?				Just take it all
Didn't I do it right?	?			With my love
Did I let you down	1?			Take it all
Maybe you got to	o used to			With my love
By having me around				I (6) change if I must
Still how can you (2) away				Slow it down and bring it home
From all my tears?			I will adjust	
It's gonna be an empty road				(Oh) if only, if only you knew
Without me right here			Everything I do is for you	
But go on and take it			But go on and take it (take it)	
Take it all with you			Take it all with you	
Don't look back				Don't (7) back
At (3)	crumbling fool			At this crumbling fool
Just take it all				Just take it (take it)
With my love				Take it all (8) you
Take it all				Don't look back
With my love				At this crumbling fool
Maybe I should leave				Just (9) it all
To help you see				With my love
Nothing is better than this				Take it all
And this is everything we need				With my love
So is it over?				Take it all
Is this really it?				With my love
You've given up so easily				
I (4)	you loved me (5)	than this	
But go on and take it (take it)
