I Just Wanna Live by Good Charlotte

	I just wanna live
I need an alarm system in my house	Stop (14) messing around boy
So I know when (1) are creeping about	Better think of your future
These people are freaking me out (these days)	Better make some good plans boy
It's getting hectic everywhere that I go	Said (15) one of my teachers
They won't leave me alone	Look out, you better play it safe
There's (2) they all wanna know	You never know what hard times will come (16)
I'm paranoid about the people I meet	way
Why are they (3) to me	We say, where we're coming from
And why can't (4) see	We've (17) seen the (18) that
I (5) wanna live	this life can bring
Don't (6) care about the things that they say	Now we expect it everywhere that we go
Don't (7) care about (8) happens	All the things (19) they say
to me	Yeah we already know
I just wanna live	I just wanna live
(Just wanna live, just wanna live, (9) wanna live)	Don't really care about the things that they say
(Just wanna live, just wanna live, just wanna live)	Don't really care about what happens to me
I rock a law suit when I'm going to court	(Just wanna live, just wanna live, just wanna live)
A white suit when I'm getting divorced	I just wanna live
The black (10) at the funeral home	Don't (20) (21) about the things
And my birthday suit when I'm home alone	that they say
Talking on the phone	Don't really care about what happens to me
Got an interview with the Rolling Stone	(Just wanna live, (22) wanna live, just wanna live)
They're saying	I (23) wanna live
"Now you're (11) and now you're famous"	(Just wanna live, just wanna live, just wanna live)
"Fake ass girls all (12) your name and"	I just wanna live
"Lifestyles of the Rich and Famous"	(Just wanna live, just wanna live, just wanna live)
"Your first hit, are you ashamed?"	Don't really care about the (24) that they say
Of the life, of the life we're living	(Just wanna live, (25) wanna live, (26)
I (13) wanna live	wanna live)
Don't really care about the things that they say	Don't really care (27) what
Don't really care about what happens to me	(28) to me
	I (29) wanna live
